

Curative Landman

Olympus Energy LLC (“Olympus”) is seeking a motivated individual for the full-time position of Curative Landman for immediate hire in their Pittsburgh area operations. The position will be responsible for curing title defects within near-term shale units in preparation for operations ahead of the drilling rig.

Core responsibilities:

- Interpreting title opinions
- Preparing curative documents
- Conducting landowner meetings and negotiations
- Facilitating the execution of required curative actions and documentation
- Managing multiple projects with varying deadlines in accordance with drill, leasing, and due diligence project schedules

Requirements:

- 5+ years of experience managing land and/or title projects related to Marcellus and Utica Shale development
- Experience with land/legal documents and associated terminology
- Ability to review title opinions
- Strong working knowledge of required curative actions
- Experience with land negotiations, securing both mineral leases and curative documents
- Strong verbal and written communication skills and knowledge of MS Office products
- Ability to exercise independent judgment and work collaboratively as a team member in a fast-paced, multi-task environment
- High attention to detail
- CPL, PA Notary preferred

Olympus is committed to creating an inclusive and diverse environment and is proud to be an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, gender, gender identity or expression, sexual orientation, religion, national origin, genetics, disability, age, or veteran status.

Interested candidates may submit resumes via email to careers@olympusenergy.com. Resumes will be reviewed as received and candidate interviews will begin immediately. Olympus is not accepting resumes from staffing/search firms at this time. Please visit Olympus’s website at <http://www.olympusenergy.com> for more information.
