

Water Specialist

Olympus Energy LLC (“Olympus”) is seeking a motivated team member for the position of Water Technician for immediate hire in their Pittsburgh area operations. This position will work with the Construction, Operations and Engineering teams and will be responsible for overseeing and providing field and office support for operations and construction of Olympus and Hyperion Midstream facilities.

Core Responsibilities:

- Ensure all work complies with Company Design & Construction Standards, work procedures, Company policies, and applicable Federal and environmental regulations.
- Create and maintain the tracking and reporting of all water transferred to and from Olympus sites and prepare reports used for DEP reporting
- Maintain record keeping and cost tracking for all water activities with Olympus and assist in building AFE’s for upcoming projects
- Provide supervision during rig up/rig down and the downtime between operations
- Provide supervision for on-site contractors and subcontractors involved in water hauling, water recycling, procurement, and disposal.

Requirements:

- High School Diploma
- 5+ years of experience in water associated jobs within construction or natural gas development
- Demonstrated strong leadership and interpersonal skills, in both office and field settings
- Excellent oral and written communication, problem assessment, and problem-solving skills
- Willingness to travel and work in both a field and office setting
- Proficiency in Microsoft Office

Olympus is committed to creating an inclusive and diverse environment and is proud to be an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, gender, gender identity or expression, sexual orientation, religion, national origin, genetics, disability, age, or veteran status.

Interested candidates may submit resumes via email to careers@olympusenergy.com. Resumes will be reviewed as received and candidate interviews will begin immediately. Olympus is not accepting resumes from staffing/search firms currently. Please visit Olympus’s website at <http://www.olympusenergy.com/careers> for more information.
